employee savings investment plan

managing your account

You can manage your Chevron Employee Savings Investment Plan (ESIP) account and personal information as follows:

- **Set up your NetBenefits account.** You can access your ESIP account online to view your account balance, change your investments and access resources to help you make informed financial decisions.
  - **If you do not already have an existing Fidelity account**, click on Register as a new user and follow the instructions to create a username and password.
  - **If have an existing Fidelity account**, use that login information to access your ESIP account on NetBenefits.
  - If you are connected to the Chevron network, automatic sign-in to NetBenefits is available from **hr2.chevron.com** *after* you establish your Fidelity username and password.
- **Designate your beneficiaries.** Your REG beneficiary designations *did not* transfer to Chevron. You are strongly encouraged to designate your beneficiaries for your ESIP account on the BenefitConnect website or by calling the Chevron HR Service Center at 1-888-825-5247.
- **Verify your paycheck deductions.** If you're contributing to the ESIP, you can find the deductions on your paycheck in the Taxes and Deductions section. You may have multiple deductions depending on your contributions (basic before-tax, supplemental before-tax, basic Roth, supplemental Roth).

if you have a loan

Outstanding loan payments to the Chevron ESIP will not be deducted from your pay until early February 2023. As a result, **any existing loans will be recalculated as part of the transition and your loan payment amount will change**. Otherwise, the transition will not affect the terms or length of your loan(s).

Contact Fidelity at 1-888-825-5247 if you have questions.
