- ** Reimbursement is based on PPO contracted fees for PPO dentists, Premier contracted fees for Premier dentists and program allowance for non-Delta Dental dentists.
- *** Maximums cross accumulate among in-network and out-of-network services. Members do not receive three separate maximums by PPO, Premier and Out-of-Network.

Stay in network to save

Visit a dentist in the PPO¹ network to maximize your savings.² These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.³ Find a PPO dentist at deltadentalins.com.

If you can't find a PPO dentist, Delta Dental Premier[®] dentists offer the next best opportunity to save. Unlike non-Delta Dental dentists, they have agreed to set fees, and you won't get charged more than your expected share of the bill.

Set up an online account

Get information about your plan anytime, anywhere by signing up for an Online Services account at deltadentalins.com. Available once your coverage kicks in, this free service lets you check benefits and eligibility information, find a network dentist and more.

Check in without an ID card

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth

date and enrollee ID or social security number. If your family members are covered under your plan, they will need to provide your information. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can view or print your card with the click of a button.

Coordinate dual coverage

If you're covered under two plans, ask your dental office to include information about both plans with your claim, and we'll handle the rest.

Understand transition of care

Did you start on a dental treatment plan before your PPO coverage kicked in? Generally, multi-stage procedures are only covered under your current plan if treatment began after your plan's effective date of coverage.⁴ You can find this date by logging in to Online Services.

Save with a PPO dentist

NON-DELTA DENTAL

¹ In Texas, Delta Dental Insurance Company offers a Dental Provider Organization (DPO) plan.

² You can still visit any licensed dentist, but your out-of-pocket costs may be higher if you choose a non-PPO dentist. Network dentists are paid contracted fees.

³ You are responsible for any applicable deductibles, coinsurance, amounts over plan maximums and charges for non-covered services.

⁴ Applies only to procedures covered under your plan. If you began treatment prior to your effective date of coverage, you or your prior carrier is responsible for any costs. Group- and state-specific exceptions may apply. If you are currently undergoing active orthodontic treatment, you may be eligible to continue treatment under Delta Dental PPO. Review your Evidence of Coverage, Summary Plan Description or Group Dental Service Contract for specific details about your plan.
