The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to hr2.chevron.com or contact the Chevron Human Resources Service Center at 1-888-825-5247 (1-832-854-5800 outside the U.S.). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall deductible?	For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined. For network providers. **$5,000** You Only **$10,000** You and One Adult/**$5,000** Per Person **$10,000** You and Child(ren)/**$5,000** Per Person **$10,000** You and Family/**$5,000** Per Person For out-of-network providers. **$10,000** You Only **$20,000** You and One Adult/**$10,000** Per Person **$20,000** You and Child(ren)/**$10,000** Per Person **$20,000** You and Family/**$10,000** Per Person	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Preventive care for network providers are covered before you meet your deductible. Deductible does not apply to certain preventive care in network services as specified by the Affordable Care Act. The following are a few major exceptions that do not count toward the deductible: charges in excess of contracted rate/allowed amount by an out-of-network provider (balanced billed charges); your share of costs and expenses under the Vision Program; charges that aren't covered or medically necessary under the plan; penalties for non-compliance; health care this plan doesn't cover; the difference between cost of generic and brand-name drug; the difference between the network and the out-of-network pharmacy price (including when you don't provide your ID card at a network pharmacy); charges that aren't covered by the plan.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.

Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For Medical, Prescription Drug, and Mental Health and Substance Use Disorder combined For network providers **$6,550** You Only **$13,100** You and One Adult/**$6,550** Per Person **$13,100** You and Child(ren)/**$6,550** Per Person **$13,100** You and Family/**$6,550** Per Person For out-of-network providers **$13,100** You Only **$26,200** You and One Adult/**$13,100** Per Person **$26,200** You and Child(ren)/**$13,100** Per Person **$26,200** You and Family/**$13,100** Per Person	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	The following are a few major exceptions that do not count toward the medical out-of-pocket limit: premiums; difference between the cost of generic and brand name drugs; additional coinsurance amount when you go to a retail network pharmacy after the first refill of a prescription for maintenance medications; your share of costs and expenses under the Vision Program; charges that aren't deemed medically necessary under the plan; penalties for failure to obtain pre-authorization for services; charges in excess of contracted rate/allowed amount by an out-of-network provider (balance billed charges) and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes, BlueCard PPO. See www.anthem.com/ca or call 1-844-627-1632 for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
