If you are enrolled in the Chevron Dental PPO or Dental HMO Plan in 2021 you must receive at least one preventive dental cleaning between January 1 and December 31, 2021. If you do not participate in this preventive care measure in 2021, you will pay \$120 more for your annual dental plan premium in 2022. If applicable, the \$120 dental surcharge will be applied to your coverage over 20 pay periods, generally beginning in March 2022. The dental surcharge will appear as a separate payroll deduction line item on your pay statements.
